Completed work must be inspected immediately. No work shall be covered or concealed until inspected and approved. Firm of person installing work shall be responsible for obtaining permits and inspections and payment of fees as required by code. If work is started before a permit is issued, an administrative fee equal to the permit fee will be assessed. Fees are not refundable and permits are not transferable. Permit will expire 1 year from the date of issue. 400+ Amp Service requires a Zoning Compliance Permit before an Electrical Permit may be issued.

Codes Used: Residential- Michigan Electrical Code 2023. Commercial- NEC- 2023.
